

**DECLARATION OF COVENANTS, CONDITIONS  
& RESTRICTIONS FOR VALLE del SOL DEVELOPMENT  
Phase V Residential  
(Lincoln County, Town of Carrizozo, New Mexico)**

THIS DECLARATION is made this 12<sup>th</sup> day of Sept., 2011, by New Mexico Ranch Sales LLC, a New Mexico limited liability company, or its assigns, hereinafter called "Declarant".

**RECITALS**

The purpose of this Declaration is to establish a general plan for the development, sale, lease and use of the Project in order to protect and enhance the value and desirability of the Property. Also, to preserve the natural beauty, view and unspoiled state of the Property. The Declarant declares that all of the property within the Project shall be held, sold and conveyed subject to this Declaration. By acceptance of a deed or by acquiring any interest in any of the property subject to this Declaration, each person or entity, for him/herself or itself, his/her heirs, personal representatives, successors, transferees and assigns, binds him/herself, his/her heirs, personal representatives, successors, transferees and assigns, to all of the provisions, restrictions, covenants, conditions, rules, and regulations now or hereafter imposed by this Declaration and any amendments thereof. In addition, each such person by so doing thereby acknowledges that this Declaration sets forth a general scheme for the development, sale, lease and use of the Property and hereby evidences his/her interest that all the restrictions, conditions, covenants, rules and regulations contained in this Declaration shall run with the land and be binding on all subsequent and future Owners, grantees, purchasers, assignees, lessees and transferees thereof. Furthermore, each such person fully understands and acknowledges that this Declaration shall be mutually beneficial, prohibitive and enforceable by the Declarant, Town of Carrizozo and all Owners. Declarant, its successors, assigns and grantees, covenants and agrees that the Parcels and the membership in the Improvement District and the other rights created by this Declaration shall not be separated or separately conveyed, and each membership shall be deemed to be conveyed or encumbered with its respective Parcel even though the description in the instrument of conveyance or encumbrance may refer only to the Parcel.

The Declarant is the owner of certain real property located within the Town of Carrizozo in Lincoln County, New Mexico, which is more fully described within the plats of the Valle del Sol Development Phase V filed with the Clerk of Lincoln County, New Mexico on the 13<sup>th</sup> day of September, 2011 in Book/Cabinet J, at Page/Slide 0061, reception # 201105656 and is also known as the Valle del Sol Development. The Declarant desires and intends to subject the Property to the protective covenants, conditions, charges, liens, restrictions, easements and reservations hereafter set forth.

**ARTICLE 1**  
**DEFINITIONS**

Terms used in this Declaration having initial capital letters but not otherwise defined in this Declaration shall have the meanings specified below:

- A. **"Declarant"** means New Mexico Ranch Sales LLC and the successors and assigns of its rights and powers hereunder.
- B. **"Declaration"** means this entire document as amended from time to time.

- K. "Restrictions"** means the covenants, conditions, charges, liens, restrictions, easements and reservations contained or referred to in the Declaration, as it shall be amended from time to time.

## **ARTICLE 2 RESTRICTIONS**

- A. Single Family Residential and Recreational Use Only:** All Parcels shall be used for residential and recreational purposes only provided; however, livestock may be kept pursuant to conditions set forth herein. Notwithstanding anything contained in this paragraph this restriction shall not prohibit home offices in a residential property where business is conducted through telephone, computer, or other electronic means and where the business is not apparent from the exterior of the residence; does not create noise or congestion from traffic or parking; and preserves the residential nature of the Property. All uses shall be in compliance with New Mexico State Building Codes, Town of Carrizozo Zoning Ordinances and if applicable, New Mexico State rules, regulations and permitted uses.
- B. Dwelling Type:** There shall be only one single-family dwelling allowed per Parcel. Said dwelling shall have a minimum square footage of twelve hundred (1,200') square feet of living space. One guest cottage is permitted so long as it does not exceed one thousand (1000') sq ft. of living space. All dwellings within or on a Parcel must share the same septic system, water and power systems. The finished exterior shall be in harmony with its natural surroundings. Septic permits must be obtained and the septic system installed and completed prior to placement of home. Building permits will be required by the State of New Mexico. Construction must be completed within nine (9) months from beginning. No building or structure will be more than thirty-five (35') feet in height at its highest point from grade. Two-family and/or multi-family dwellings are prohibited within the project where zoning

prohibits same. Single-wide Mobile Homes are prohibited. Manufactured or Modular Homes are allowed so long as they do not exceed one (1) year in age from the date of manufacture to the date of installation. All dwellings that are to be used as residences must be ground set and on permanent foundations. The exterior finish of all buildings must be completed within nine (9) months after construction has started. No building paper, insulation board, sheathing or similar non-exterior materials shall be used for the exterior finish of any building. The exterior finish of all buildings shall be composed of earth tone colors harmonious with the existing environment. Detached garages must be compatible with the exterior of the home's finish and made of new material. Dwellings shall have a minimum of a 3/12 pitch roof unless dwelling is of a southwest/Santa Fe design with a flat roof and a parapet wall above the roof line. Quonset huts or Quonset style buildings are not permitted.

**C. Temporary Structures:** No structure of temporary character, recreational vehicle, camper unit, trailer, travel trailer, mobile home, basement, tent shack, garage, accessory building or other out-building shall be used on any Parcel as a residence. A travel trailer or recreational vehicle may be used for recreational purpose and may be served by electricity but no other utility connection is permitted. However, such structures shall not be allowed to remain on any parcel for more than six (6) months during a calendar year and must be moved at least every three (3) months. A travel trailer or recreational vehicle may be used as a dwelling with connections to any or all utilities during construction of a dwelling, provided use of the trailer or recreational vehicle is limited to a maximum period of six months, the period commencing with the date of issuance of a building permit of construction of the dwelling. Travel trailer or recreational vehicle must be currently registered and in working order.

**D. Maintenance of Property:** All property and all improvements on any parcel shall be kept by the Owner in a clean, safe, attractive and sightly condition and in good repair.

**E. Landscaping:** Upon completion of construction of the dwelling, Owner shall have 6 months within which to complete landscape around dwelling. Landscaping shall include at a minimum four (4) trees and four (4) shrubs. Low water use landscaping techniques applying the principles of xeriscaping shall be encouraged.

**F. Sanitary Facilities:** All dwellings and/or living quarters shall be self-contained, connected to a septic system, waterless toilet, or other alternative waste disposal system which has been designed by and approved by a person certified to do so in the state of New Mexico. Permits must be obtained from the appropriate governmental agency. All liquid waste disposal systems must be designed and approved by a person certified to do so in the state of New Mexico. Liquid waste disposal systems shall be located as not to potentially contaminate or pollute any drinking water supply, water course or body of water, to be located so as not to potentially degrade recreational resources and to be located as not to create a nuisance. For setback requirements please see New Mexico Liquid Waste Disposal and Treatment Regulations 20.7.3.302 NMAC, as now adopted or hereinafter amended.

**G. Additional Subdivision of Parcels:** Subdivision of parcels within the Valle del Sol Development is prohibited.

**H. Vehicles:** Any motor vehicle under repair or inoperable may not be parked on any roadway, driveway, or other easement. When said vehicles are parked on a Parcel, such motor vehicles must be hidden by an enclosed structure so as the vehicle is not to be visible from roadways or other Parcels. All vehicles, engines, or motors must be operated with a muffler and/or spark arrestor. The use of motorized vehicles i.e. ATV or motorcycles shall be allowed on the designated roadways within the development and on Owner's private Parcel(s) only.

**I. Trash:** No Parcel may be used for temporary or permanent storage of rubbish or trash (collectively, garbage). No garbage may be kept on any Parcel except in covered containers and screened from view from adjacent Parcels. Burying or dumping of garbage, junk, trash, oil, petroleum or other liquid or solid waste or littering of any kind on any Parcel is strictly prohibited.

**J. Junkyards, Auto Repair, Second-Hand Business, And Material Storage:** No junkyards, auto repair, second-hand businesses or other commercial uses shall be conducted on any Parcel. No storage of trucks, cars, buses, machinery, equipment or building materials shall be stored on any Parcel unless enclosed in a proper structure (which consists of a roof and enclosed walls) to not be visible from an adjoining Parcel or passing on the roadway.

**K. Nuisance Activities:** The unusual, unnecessary, prolonged, or indiscriminate creation of noise, dust, fumes, odors or any other offensive activity is prohibited, including but not limited to road racing and loud music.

**L. No Hazardous Activities:** No activities shall be conducted and no improvements constructed on any parcel which might be unsafe or hazardous to any person or property. No firearms shall be discharged within the Valle del Sol Development.

**M. Signs:** No signs will be permitted (including but not limited to For Sale or For Rent signs) on Parcels: EXCEPT for address signs that identify the address and/or the Owner of the Parcel, which signs will not exceed four (4) square feet. All signs are to be in strict conformance with the laws and ordinances set forth by the Town of Carrizozo and Lincoln County. Permits may be required. Declarant reserves the right to remove any and all signs that are in violation of the provisions in this Declaration. None of the sign restrictions in this Declaration apply to the Declarant or its' assigns or successors, for the purpose of selling Parcels, locational, directional or street signs. Nothing in this provision shall prohibit an Owner from attempting to sell their Parcel in accordance with the provisions stated herein.

**N. Structure Setbacks:** On Parcels 3 acres or larger, all structures shall be built at least one hundred (100') feet from the front, and thirty (30') feet from the sides and rear, of any Parcel boundary. On Parcels under 3 acres in size, all structures shall be built at least fifty (50') feet from the front and fifteen (15') feet from the sides and rear of any Parcel boundary. If local governmental regulations provide for more restrictive setbacks, those regulations shall govern. In any event, any construction on a Parcel shall comply with the State of New Mexico building codes and regulations. Shelters and fences constructed for livestock may be constructed on the parcel boundary line along the sides and rear of parcel in accordance with Paragraph T "Fencing Requirements and Setbacks." under this Article.

**O. Easements:** **a)** Declarant hereby grants, conveys, assigns and dedicates easements along roadways and Parcel boundaries as shown on the recorded survey plat(s) of the Valle del Sol Development to the Town of Carrizozo and other designated entities as stated on the recorded survey plat(s) for the purposes of ingress/egress, utility line construction and use, repairs and maintenance, recreational use by it's members, and for use by New Mexico Land & Ranches, LLC or its assigns **b)** All roadways are shown on the Recorded Survey Plat(s). **c)** The rights to existing surface and underground water and water facilities including, pipelines, windmills, wells and storage tanks located within the Development are hereby reserved by the Town of Carrizozo its assigns for maintaining parks and landscaping within the Valle del Sol Development **d)** Declarant hereby reserves the right to use all roadways and easements for the purposes of ingress/egress, marketing, maintenance, utility line construction and further expansion for their use as such. **e)** Declarant also reserves the right to assign use of said easements and roadways to additional persons or entities in the future, at its sole discretion **f)** No structure including fencing, shall be constructed on any easements as shown on the Recorded Survey Plat or described herein. **g)** There shall be no further granting of easements by Owners or the Town of Carrizozo except for easements for the installation, repair and maintenance of utilities.

**P. Declarant's Exemption:** Nothing herein shall be construed as prohibiting Declarant from maintaining a sales or development office on any Parcel or engaging in activities which Declarant deems appropriate to its development or sales program.

**Q. Mineral Rights:** In no event shall any Owner or lessee use or cause to be used any portion of the Property, including his or her own Parcel, for the purposes of drilling, exploring, mining, or otherwise developing any deposits of oil, minerals, or other natural resources lying above, on, or under said Property, with the exception of such drilling and exploration by the Declarant or the Owner as may be necessary to produce an adequate water supply for the development of the Parcel involved.

**R. Livestock:** Owner's of a parcel under 3 acres in size is prohibited from the keeping of livestock on their property. Owners of a parcel three (3) acres in size may keep up to three (3) horses on their property. Owners of a parcel five (5) acres in size may keep up to five (5) horses on their property. Owners of a ten (10) acre parcel may keep up to ten (10) horses, owners of a parcel fifteen (15) acres in size may keep up to fifteen (15) horses. The Parcel must be fenced in accordance with the fencing guidelines and setbacks set forth in this Article under Paragraph T, "Fencing Requirements and Setbacks." The commercial raising, breeding or keeping of swine is prohibited. Under no circumstances shall a commercial stockyard, dairy, riding stable, poultry farm or any other commercial activity involving animals be permitted. Owner is required to construct a shelter for horses. Shelter shall be a covered lean-to design not to exceed two hundred (200') sq ft. with white metal. A fully enclosed barn must meet setback requirements as set forth in this Article under Paragraph N, "Structure Setbacks".

**S. Driveway installation and Parking:** Each parcel may have no more than two entrances with the exception of parcel #405 which may have three (3) entrances. A culvert shall be installed in the entrance driveway of a diameter of 18" minimum, length of 30' with a minimum slope of 0.05 ft/ft. The ends of the culvert shall be protected with 2" gravel and fitted with an end section that minimizes erosion. The driveway over the culvert will be constructed with a minimum of 12" of cover over the top of the culvert. All parking shall be off street.

**T. Fencing Requirements and Setbacks:** Subject to the easements for utility installation and all other easements defined on the Recorded Survey Plat or described in this Declaration, Owner may fence off all or any part of Owner's Parcel in order to restrict livestock from crossing or grazing on other Owner's parcels or crossing or grazing on common areas and parks within the Development. Construction of all fences must be adequate to help keep livestock on Owner's property. Owners of a parcel 3 acres or more in size must fence a minimum of 1 acre for livestock. Horse shelters may be constructed on property lines. All fencing may be set on property boundary lines. Fencing shall not encroach upon any easement referred to on the Recorded Survey Plat and/or in this Declaration. Any fences moved and/or installed by Owner, shall be at Owner's sole expense. All fences shall be constructed using "wildlife friendly" techniques as follows: Wherever barbed wire fencing is constructed, it shall have smooth wire on the bottom strand, which shall be twelve (12") inches above the ground and fence height shall not exceed sixty (60") inches. Additionally, all fencing shall be constructed with the following minimal requirements: **a)** with posts not more than fifteen (15') feet apart; **b)** not less than three (3) stays between posts; **c)** with five (5) continuous strands of wire and; **d)** such fence is adequate, in accordance with normal standards to contain livestock. Fencing constructed entirely of wood or vinyl must conform to the Zoning Ordinance of the Town of Carrizozo.

**U. Utility Installation:** Any utility construction on a Parcel shall be the Owner's responsibility at Owner's sole expense. Developer is providing utility service along roadways and some boundary lines to parcels via underground. Any utilities, including electricity, must be installed via underground service from the parcel boundary line or from where the electrical service is installed along the parcel boundary lines to Buyer's building site at the Buyer's expense

**V. Historical Preservation:** In the event an item of potential archaeological and/or Native American historical significance such as Native American artifacts are found on a Parcel within the Property, the Developer suggests that the find be reported to a non-profit organization that is dedicated to archeological preservation, research and education. The find is the property of the Parcel Owner and it is left to the discretion of the Parcel owner to report such find to a non-profit organization that is dedicated to archeological preservation, research and education. It is suggested that items of significance should not be disturbed or removed from the site except by a qualified Archeologist and only for necessary historical preservation and educational purposes. Where human burials are found on private property it is unlawful to disturb them and they are provided the protection of law and shall receive respectful treatment and disposition. Section 18-6-11.2 NMSA states in part that "A person who knowingly, willfully and intentionally excavates, removes, disturbs or destroys any human remains buried, entombed or sepulchered in any unmarked burial ground in the state, except by authority of a permit issued by the state

medical investigator .....is guilty of a fourth degree felony and shall be punished by a fine not to exceed five thousand dollars (\$5,000) or by imprisonment for a definite term of eighteen months, or both."

**W. Water Restrictions:** Water will be provided to the development by means of municipal water system provided by the Town of Carrizozo. Buyer understands and acknowledges that the water system within Valle del Sol Development is rated at 20-40 lbs of pressure based on the Town of Carrizozo's water system and that because of the topography of Valle del Sol Development; water levels within the Town of Carrizozo storage tanks, there could be several parcels that have 20 lbs of pressure. If Buyer purchased a parcel where the water pressure is 20lbs, Seller recommends that Buyer install a booster pump. The estimated cost of a booster pump is between \$350 - \$450 and is the responsibility of the Buyer to research, purchase and install said equipment. There may be the possibility of water pressure being over the recommended rating for household faucets and fixtures. If Buyer purchased a parcel where the water pressure is over the recommended rating for household faucets and fixtures, a pressure reducing valve may have to be installed. The estimated cost of a pressure reducing valve is between \$50 - \$150. It is the responsibility of the Buyer to research, purchase and install said equipment. Any utility construction, including water, on a Parcel shall be the Owner's responsibility at Owner's sole expense. Each parcel within the Valle del Sol Development must comply with any/all rules, regulations and/or ordinances that govern water usage as set forth by the Town of Carrizozo.

**X. Waiver:** The Declarant and its' successor or the Town of Carrizozo shall have the right to allow variances where strict enforcement of these restrictions would cause undue hardship, in accordance with a procedure to be adopted by the Town of Carrizozo.

### **ARTICLE 3 GENERAL PROVISIONS**

**A. Enforcement:** The covenants, conditions, and restrictions contained in this Declaration shall run with the land and shall be binding upon all persons owning, leasing, subleasing or occupying any Parcel after the date on which this instrument shall have been recorded in the Office of the Clerk and Recorder of Lincoln County, New Mexico. This Declaration may be enforced by the Declarant, by any Owner, the Lessee or a lessee of any Parcel, by the holder of a Mortgage on any Parcel, by the Town of Carrizozo, or by any one or more of said persons acting jointly; PROVIDED, HOWEVER, that any breach by reason thereof shall not defeat or adversely affect the lien of a Mortgage upon any Parcel, but each and all said covenants, conditions, and restrictions shall be binding upon and effective against any Owner, lessee or occupant of said Parcel whose title thereto is acquired by foreclosure, or otherwise, and FURTHER PROVIDED that the breach of any said covenants, conditions, and restrictions may be enjoined, abated or remedied by appropriate proceedings, notwithstanding the lien or existence of any such Mortgage. All instruments of conveyance or assignment of any interest in all or any party of the Property may refer to this Declaration and shall be subject thereto as fully as though this Declaration were therein set forth in full. These covenants, restrictions and easements shall inure to the benefit of the Owners herein, their heirs, legal representatives, successors and assignees.

**B. Invalidity:** These covenants, restrictions and easements may be enforced by the Owners of any Parcel in said Property including Declarant against any person or persons violating or attempting to violate any provision hereof, either to restrain or to recover damages caused thereby. The failure to enforce any of these covenants, restrictions or easements shall in no event be deemed a waiver of the right to do so thereafter. Invalidation of any of the covenants, conditions, and restrictions, contained herein by a court of competent jurisdiction, shall in no way affect the validity of any other provision of this Declaration, all of which shall remain in full force and effect.

**C. Special Improvement District:** Developer and the Town of Carrizozo discussed implementation of an Improvement District for all properties located within the Valle del Sol Development that would provide for the long-term upkeep and maintenance of the common areas and parks located within the Valle del Sol Development. The special assessment to be taxed against each of the properties within the Valle del Sol Development is anticipated to be approximately \$100.00 per year per parcel. The special assessment shall be in the form of a

tax, assessed against each parcel, which, if not paid, shall be subject to a lien and possible foreclosure at the election of the Town of Carrizozo.

**D. Legal Fees and Costs:** The Town of Carrizozo may cause a lawsuit to be commenced and maintained in the name of the Town of Carrizozo against an Owner to enforce the payment of any delinquent assessment or to enforce any other pertinent provision of this Declaration. Any judgment rendered in any such action shall include the amount of the delinquency, interest at the rate of twelve percent (12%) per annum from the date of delinquency, the amount of damages proven, court fees, and reasonable attorney's fees which are incurred by the Town of Carrizozo as fixed by the court. Any Owner who violates these covenants, restrictions and easements shall be liable for the reasonable attorneys' fees and legal expenses of any other Owner who is successful in a legal action to enforce such covenant, restriction or easement.

**E. Term:** This Declaration shall be effective upon its recordation in the office of the County Clerk of Lincoln County, New Mexico and as amended from time to time, shall continue in full force for thirty (30) years and effect until the commencement of the calendar year 2041. Upon commencement of the calendar year 2041, this Declaration shall be automatically renewed and extended for successive periods of ten (10) years each, unless terminated by not less than seventy-five percent (75%) of the votes cast by the members (Owners) entitled to vote in the Town of Carrizozo. Such termination shall be recorded in the Office of the Lincoln County Clerk and Recorder.

**F. Titles:** The titles to these articles, sections and paragraphs of this declaration are for convenience only and shall not be deemed to control or assist interpretation of enforcement of this declaration.

**G. Liabilities:** Notwithstanding anything to the contrary herein, it is expressly agreed that neither the Declarant (including without limitation any successor or assign of the interest of the Declarant hereunder) nor any manager, member, employee, agent or affiliate of the Declarant shall have any personal liability to the Town of Carrizozo, or to any Owner or other Person arising under in connection with or resulting from (including without limitation resulting from action or failure to act with respect to) this Declaration and in the event of a judgment against the Declarant or any of such other Persons just specified, no execution or other action shall be sought or brought thereon against any other assets, nor be a lien upon such other assets of the judgment debtor. Each of the provisions of this section shall apply to the performance of the Declarant in its responsibility to maintain the roads within the Property.

#### **ARTICLE 4** **ANNEXATION OF ADDITIONAL PROPERTY.**

**A.** Declarant, its successors and designees reserve all present and future rights to utilize all private roads and easements within the Project to comparably develop lands within or adjacent to the Project. Any such expansion to be included within this Declaration shall be subject to the terms and conditions of this Declaration, but may include reasonable variances.

**B.** At any time the Declarant shall have the right to annex and subject to this Declaration all or any portion of the additional property without the consent of any other Owner or person. An Owner's obligation to pay assessments shall commence as provided in this Declaration. If Declaration of Annexation annexing a portion of additional property divides the annexed portion into phases, the Declarant shall have the right to amend any such Declaration of Annexation to change the description of the phases within the annexed Project, except that the Declarant may not change any Phase V in which a Parcel has been conveyed to an Owner.

**ARTICLE 5  
REPRESENTATIONS AND WARRANTIES**

**DECLARANT MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER THAT: (1)** The Project will be completed in accordance with the plans for the Project as they exist on the date this Declaration is recorded; **(2)** Any Property subject to this Declaration will be committed to or developed for a particular use or for any use; or **(3)** The use of any Property subject to this Declaration will not be changed in the future.

If Developer/Seller goes bankrupt, land sales will cease. There will be no consequences to Owner's equity.

9. STATEMENT OF ALL RESTRICTIONS OR RESERVATIONS OF RECORD SUBJECTING THE SUBDIVIDED LAND TO ANY UNUSUAL CONDITIONS AFFECTING ITS USE OR OCCUPANCY: No unusual conditions affecting the use or occupancy are known to exist. All restrictions and or reservations are set forth in the Declaration of Covenants, Conditions & Restrictions for Valle del Sol Development which have been recorded with the Lincoln County Clerk and Recorder on 13<sup>th</sup> day of September, 2011 at Book/Cabinet J, Page/Slide 0061, and reception # 291 05656.

10. ESCROW AGENT: GSV Title Services, Inc., 1096 Mechem Dr. Ste 101, Ruidoso, New Mexico 88345, 575-258-3600 phone, 575-258-3573 fax, an independent third party.

11. UTILITIES: Developer is installing electrical, fiber optics, water services along some boundary lines and roadways to parcels via underground. Electrical service should be completed to portions of the development by December 31, 2011. Any utilities, including electricity, must be installed via underground service from the parcel boundary line or from where the electrical service is installed within the parcel to Buyer's building site at the Buyer's expense. After installation of electrical service by Developer, electrical service will be provided by *Otero County Electric Cooperative, Inc., 513 12<sup>th</sup> Street, Carrizozo, New Mexico 88301, telephone number is (575) 648-2352*. Buyer is solely responsible for obtaining and paying for all costs incurred regarding providing electrical service to his/her building site. For new service, the deposit/hook-up fee is \$30.00 plus tax. Buyer must sign a 5 year contract for service with Otero County Electric Cooperative, Inc. The minimum per month cost is dependant on the capacity of the transformer required. The minimum per month starts at \$16.00 dollars per month together with a per Kilowatt charge, which is estimated at this time to be about \$0.10428 per Kilowatt of electricity used. A new service installation if within 15' from the meter will be at a cost of the deposit/hook-up fee of approximately \$30.00 plus tax and an estimate fee of \$50.00. For more information or costs, Buyer should contact Otero County Electric Cooperative, Inc. Buyer is responsible for all costs and permit requirements for the installation of their own electrical service to their building site.

Natural gas is not available in this development. Propane gas service is available from *ServiGas Ikard-Newsom, P.O. Box 645, Ruidoso Downs, New Mexico 88346* whose telephone number is *800-683-0474*. Currently rental on a 250-gallon tank is \$48.00 per year and at this time propane gas costs approximately \$2.67 per gallon. Installation costs will be determined by location of building site in relation to the tank site. Buyer will be responsible for all costs and permit requirements for installation of propane gas.

Water will be provided by a municipal water system provided by the Town of Carrizozo. Buyer will be responsible for all costs and permit requirements for the installation of water tap, meter and lines necessary to access the water source and deliver it to their building site. The cost for a residential water tap is currently \$1000 plus a deposit fee of \$100.00 for the meter plus a fee of \$20.00 for a backflow preventer valve and a connection fee of \$10.00 for a total of \$1130.00 for the owner of a parcel. There will be a charge of \$450 for a cut across a hard surfaced roadway if such cut is necessary for the installation of the tap and meter. The charge per usage of water is \$14.50 for the first 4000 gals with an additional charge of \$2.75 per every 1000 gals use thereafter. Buyer understands and acknowledges that the water system within Valle del Sol Development is rated at 20-40 lbs of pressure based on the Town of Carrizozo's water system and that because of the topography of Valle del Sol Development; water levels within the Town of Carrizozo storage tanks, there could be several parcels that have 20 lbs of pressure. If Buyer purchased a parcel where the water pressure is 20lbs, Seller recommends that Buyer install a booster pump. The estimated cost of a booster pump is between \$350 - \$450 and is the responsibility of the Buyer to research, purchase and install said equipment. There may be the possibility of water pressure being over the recommended rating for household faucets and fixtures. If Buyer purchased a parcel where the water pressure is over the recommended rating for household faucets and fixtures, a pressure reducing valve may have to be installed. The estimated cost of a pressure reducing valve is between \$50 - \$150. It is the responsibility of the Buyer to research, purchase and install said equipment. For more information and costs contact *Town of Carrizozo, 100 S. 4<sup>th</sup> Street, Carrizozo, New Mexico 88301* whose telephone number is (575) 648-2371.

Conventional telephone service and DSL service is provided by fiber optics. These services are installed and provided by *Tularosa Basin Telephone Company & Tularosa Communications, Inc. (TBTC/TCI)*. Residential service can be obtained by

contacting *TBTC/TCI* at 800-972-8282. Residential service plans start at \$24.70 plus tax per month, DSL service plans start at \$27.99 plus tax per month. There is a \$30.00 connect fee for residential service. Inside wiring and jack installation are for labor the first .5 hour is \$45.00 with \$16.00 for every .25 hour thereafter and \$10.00 per jack installed. With DSL there is no modem needed but there is an installation fee of \$150.00. The \$150.00 installation fee may be waived if a Buyer signs a contract with *TBTC/TCI* for a 12 month period. If service is cancelled before 12 month period is over, there will be a \$150.00 penalty fee charged to Buyer. For more information and costs please see Exhibit "A" attached hereto and incorporated herein by reference and contact *Tularosa Basin Telephone Company & Tularosa Communications, Inc.* Buyer is responsible for all costs and permit requirements for the installation of their own telephone and DSL service. The Developer makes no warranties or representations concerning compliance with local, state or federal laws in the event you perform, or allow to be performed, digging, trenching or excavating activities within or upon Buyer's parcel. Buyer is encouraged to consult with your contractor, utility company or legal representative prior to engaging in any such activity to ensure lawful compliance.

Liquid waste disposal will be via the installation of an individual liquid waste disposal system (septic system). Buyer is entirely responsible for the cost of installation, including testing and obtaining approval, of a liquid waste disposal system (septic system) for the Buyer's Property. In order to install a liquid waste disposal system, Buyer must obtain all necessary permits from *New Mexico Environment Department, 1216 Mechem Drive, Ruidoso, New Mexico, 88345 telephone: (575) 258-3272*. Fees are currently \$100 for the permit plus a site inspection fee which will be determined at time of permitting and installation. Different types of treatments and disposal systems may have differing fees. Soil tests may be required prior to issuing the permit and a New Mexico registered professional engineer must conduct percolation tests and may be required to design a special sewage system for the Property. A person who is certified to do so must engineer all septic systems. No other liquid waste disposal system may be used in the development other than the system approved by the Environment Department. In the event Buyer cannot get a permit for an individual on-site sewage system anywhere on the parcel being purchased, the Seller will purchase the parcel from the Buyer for the original purchase price that the Buyer paid for the parcel. Cost for the installation of a standard septic system for a 2 bedroom, 4 person home ranges between \$4,200 and \$7500. *Ruidoso Septic Tank Service, P.O. Box 2370, Ruidoso Downs, New Mexico whose telephone number is (575) 258-5030* is one contractor in the area that provides plumbing and septic system installation services.

**NOTE:** Developer reports that there is no assurance that a "Conventional" or "Standard" septic tank system can be installed. Alternative systems may be required for some lots. Prior to purchase, purchasers should contact the state and local health departments for specification requirements. You should satisfy yourself as to all costs of installing a septic system. If an "operational individual sewage disposal system" cannot be installed, Developer will offer to purchase the parcel for the initial purchase price.

Buyer is entirely responsible for obtaining solid waste disposal service from a provider and all costs associated with same. Solid Waste Disposal is provided by contacting the *Town of Carrizozo, 100 S 4<sup>th</sup> Street, Carrizozo, New Mexico 88301 whose telephone number is (575) 648-2371*. Currently the cost of the solid waste disposal service is approximately \$18.15 per month. Fees will be assessed and billed on the water billing. Open burning of waste is not allowed by the New Mexico Open Burning Regulations (20 NMAC 2.60).

**NOTE:** Names of service providers and estimated costs within this document does not constitute in any form or fashion an endorsement of or recommendation of the named service providers. The names and contact information is provided only as a courtesy to assist Buyer in their decision process.

12. **SUBDIVISION ACCESS:** Valle del Sol Development is located within the Town of Carrizozo. The entrance to this development is accessed by driving approximately 1.2 miles east on HWY 380 from the intersection of HWY 54 & HWY 380. The Valle del Sol Development is ordinarily accessible in all seasons of the year by conventional vehicle. The roads within the development are public roads that will be maintained by the Town of Carrizozo. The public roads are to be hard surfaced improved roadways with a minimum of an 18' driving surface to be complete by June 30, 2012.

13. **MAINTENANCE:** Each Parcel Owner is responsible for the construction and maintenance of their own private liquid waste disposal system (septic system) and their driveway from the dedicated access road to their designated building site and for any and all fences that the Owner constructs in accordance with the Declaration of Covenants, Conditions & Restrictions. The roads within the development are public roads that will be maintained by the Town of Carrizozo. All property and all improvements on any parcel shall be kept, by the Owner, in a clean, safe, attractive and slightly condition and in good repair.

14. **CONSTRUCTION GUARANTEES:** Electricity, water, telephone/DSL will be installed in accordance with the Agreement between the Developer and Town of Carrizozo. There is no other construction promised or to be provided by Developer.

15. **ADVERSE OR UNUSUAL CONDITIONS:** Developer/Seller has no knowledge of any adverse conditions or activities that are adjacent to or near the development that would subject the subdivided land to any unusual conditions affecting its use or occupancy.

29. PROPERTY TAXES AND TAX ASSESSMENTS: Lincoln County Assessor is the taxing authority for the property. The current 2009 tax rate for vacant land is approximately .025598 mills per one thousand dollars of net taxable value. This rate is derived from the location of Valle del Sol Development within the Town of Carrizozo and Lincoln County and includes all Special taxing districts. Example: The estimated yearly property taxes on a parcel if the purchase price is \$29,900 would be \$ 255.13. This figure is reached by using the following formula. (Purchase Price) divided by 3 = taxable value. Taxable value x .025598 (tax rate) = yearly taxes. Once improvements have been built on the parcel they will be taxed at the rate for residential property. The current 2009 tax rate for residential land is approximately .023921. The estimated yearly property taxes on a residential parcel if the purchase price is \$29,900 would be \$ 238.41. For further information please contact the *Lincoln County Assessor's Office at (575) 648-2306.* Special Improvement District: The Developer and the Town of Carrizozo discussed implementation of a Special Assessment District for all properties located within the Valle del Sol Development that would provide for the long-term upkeep and maintenance of the common areas and parks located within the Valle del Sol Development. The special assessment to be taxed against each of the properties within the Valle del Sol Development is anticipated to be approximately \$100.00 per year per parcel. The special assessment shall be in the form of a tax, assessed against each parcel, which, if not paid, shall be subject to a lien and possible foreclosure at the election of the Town of Carrizozo.

30. LAND USE: Building and Septic Permits are required. Compliance with New Mexico State Building Codes and regulations are in effect.
